Made in Japan

Part number : 429 017 R
MSRP : \$131.00
JAN code : 4996338051998
Made in Japan

Add the Cusco Tow Hook to your vehicle that sees competition, track support will appreciate it, and so will your vehicle. Made from strong steel and designed to bolt-on. The swivel tow hook can be folded 90 degrees when not in use, which will minimize its protrusion from the vehicle. JAF (Japanese Automobile Federation) compliant, meaning these have passed the strict national vehicle safety standards.
